## ASSEMBLY BILL

**No. 736**

---

**Introduced by Assembly Member Cooley**

February 25, 2015

---

An act to amend Section 22212.5 of the Education Code, relating to state teachers' retirement.

### LEGISLATIVE COUNSEL'S DIGEST

AB 736, as amended, Cooley. State teachers' retirement: executive positions.

The Teachers' Retirement Law creates the State Teachers' Retirement System and State Teachers' Retirement Plan for the purpose of providing teachers and other specified employees with financially sound retirement plans. The law provides for the administration of the system and the plan by the Teachers' Retirement Board and authorizes the board to appoint employees as necessary for those purposes. The law requires the board to fix the compensation of specified executive and managerial positions, including chief executive officer, chief investment officer, and general counsel.

This bill would *provide the duty to fix the compensation of specified executive and managerial positions, described above, applies to a single position in the various job categories. The bill would additionally require the board to fix the compensation of the a chief operating officer and one a chief financial officer.* The bill would impose specified limits on the annual percentage increase in salary paid to a person who served in either of those positions on January 1, 2016, and who does not separate

from service in that position prior to the date on which the increase is applied.

Existing law prohibits, among others, a chief of staff, deputy chief executive officer, or an equivalent senior management position, for a period of 2 years after leaving that position, from appearing before or communicating with the board for the purpose of influencing actions or proceedings, for compensation, as specified.

This bill would remove that restriction from the positions listed above and instead apply the restriction to the chief operating officer and individuals who held career executive assignment positions that reported directly to either the chief executive officer or the chief operating officer.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.
